ROCK STARS REVIEW

ADMINISTRATOR'S MESSAGE — Ms. Sorensen, Assistant Principal

Welcome back to all our PBS staff, students and families after a well-deserved Christmas break. It is our hope all members of our school community and extended community were able to relax, rejuvenate and enjoy time together this holiday season.

We would like to extend a huge 'thank you' to all families who supported our fundraisers prior to the break. Students collected monetary donations, Christmas Hamper items, food bank goods, and toiletries. In addition, the students and staff made a significant donation to our local seniors lodge with the help of Rig Rentals. The kind generosity of our staff, students, families and local businesses is amazing.

The start of school, after a significant break, provides an opportunity to re-establish a focus on learning. Teachers will be working diligently to get students back into classroom routines, as well as reviewing expectations, and working with students to set goals for the remainder of the school year. It is always a pleasure to see the learning taking place in our PBS classrooms!

January is the start of the new calendar year and it is also the time when the PBS administrative team begins planning for the next academic year. It is our hope to continue many of the great things happening in our school, while also looking at ways in which we can improve and work to support students academically, socially, and emotionally.
